SPECS

Height:	35'
Spread:	30'
Shape:	rounded
Foliage:	green
Fall Color:	maroon
Flowers:	yellow
Fruit:	buckeye
Zone:	4

DESCRIPTION

An outstanding selection from the Arnold Arboretum, featuring dark green palmate leaves that do not scorch in summer heat. Its foliage is attractive throughout the season, finally changing to maroon-red in the fall.

Autumn Splendor has a dense, rounded head and produces long panicles of yellow flowers in mid-spring. This beautiful tree is adaptable to various soil types, except very dry sites. It is vigorous and urban tolerant, making it easy to utilize in many landscape situations.
