Fall Color:	yellow
Flowers:	white/pink
Fruit:	capsule
Zone:	3

DESCRIPTION

Panicle Hydrangeas are hardy, vigorous shrubs with an upright growing habit. They may also be grown tree form. Large panicles of white flowers are produced in summer which mature to pink later in the season. Flowers are held on strong stems and are good for cutting. Panicle Hydrangeas are best grown in full sun. They bloom on new wood, ensuring reliable flower production every year.

Little Lamb[®] is a compact form with small white flowers closely packed on rounded panicles. Flowers turn pink and have an overall delicate appearance.

Utilize in large containers, borders, as hedges or massed in the landscape.
