DESCRIPTION

Weigela has long been valued for their profuse display of brightly colored flowers in late spring. They are extremely adaptable to soil type and grow best in full sun.

Midnight Wine® is a cultivar from Proven Winners® that has a low, spreading form. It forms a tidy mound, requiring no pruning. Its shiny deep purple foliage provides a nice contrast to the pink flowers.

The low habit of this plant makes it ideal for edging walkways, the fronts of borders and foundation plantings, or massed in the landscape.
