These garden workhorses thrive in light shade and are a favorite no-fuss, long-lived perennial that look beautiful year after year. In mid-summer they send up slender stems loaded with blooms to add a touch of whimsy to its already decked-out colorful foliage. They are the perfect perennial to brighten up the garden.

**Amethyst Mist Coral Bells**  
(Heuchera ‘Amethyst Mist’)

Ht. 18-24” / Wd. 12-18” / Foliage: purple / Flower: cream  
Blackish-purple leaves with silvery-blue overlay and black veining distinguish this variety of coral bells. Undersides are rich royal purple. Pre-

**Berry Smoothie Coral Bells**  
(Heuchera villosa ‘Berry Smoothie’ PP21871)

Ht. 15-18” / Wd. 15-18” / Foliage: red / Flower: pink  
Rosy-pink spring foliage matures to purple-rose by summer. White blooms appear mid-summer. Vigorous grower with good cold tolerance. Prefers par-

**Berry Timeless Coral Bells**  
(Heuchera ‘Berry Timeless’ PP26357)

Ht. 3-6” / Wd. 18-24” / Foliage: green / Flower: pink  
Silvery, mint green foliage is topped with tight clusters of light pink flowers that bloom continuously from early summer to early fall. Flower wands reach 18

**PRIMO™ Black Pearl Coral Bells**  
(Heuchera villosa ‘Black Pearl’ PP29395)

Ht. 8-10” / Wd. 18-20” / Foliage: black-dark purple / Flower: pink  
Shiny, jet black leaves have ruffled edges and rosy purple undersides. Keeps black color even in full sun. Pink flowers in midsummer. Part of the PRIMO™ series. A Proven Winners® selection. (#5757)
**Black Taffeta Coral Bells**  
(Heuchera villosa ‘Black Taffeta’ PP26162)  
Ht. 12-15” / Wd. 12-18” / Foliage: black / Flower: deep pink  
Silky, almost-black foliage is heavily ruffled and in perfect proportion to the plant. Deep pink flowers on short stems in early summer. Plant in full sun or partial sun. (#5605)

**LITTLE CUTIE™ Blondie Coral Bells**  
(Heuchera ‘Blonde’ PP24564)  
Ht. 3-6” / Wd. 6-12” / Foliage: caramel / Flower: yellow  
Blondie has caramel-colored foliage with creamy yellow flowers spikes. These flowers bloom throughout the summer. Part of the LITTLE CUTIE™ series. (#5349)

**Caramel Coral Bells**  
(Heuchera villosa ‘Caramel’ PP16560)  
Ht. 12-15” / Wd. 15-18” / Foliage: orange / Flower: cream  
A villosa hybrid whose new leaves emerge bright gold and mature to a peachy-orange with purple undersides. Great for rock gardens and shaded

**SODA™ Cherry Cola Coral Bells**  
(Heuchera ‘Cherry Cola’ PP22967)  
Ht. 6-9” / Wd. 15-18” / Foliage: rust-red / Flower: red  
This hybrid is more compact with more vivid leaf color in sun. Foliage grows 6” high with cherry red to salmon flower spikes from late spring through summer. A 2010 introduction in the Soda™ series from
HEUCHERA & HEUCHERELLA
HEUCHERA

CIRCUS CORAL BELLS
(Heuchera ‘Circus’ PPAF)
Ht. 12-15” / Wd. 18-24” / Foliage: chartreuse w/red stain / Flower: red
New leaves emerge a warm peach color with deep red veins. As they mature, the leaves turn a radiant shade of chartreuse and the veining fades to then re-

CITRONELLE CORAL BELLS
(Heuchera villosa ‘Citronelle’ PP17934)
Ht. 12-15” / Wd. 15-18” / Foliage: green / Flower: white
‘Citronelle’, a sport of ‘Caramel’, is a beautiful hybrid with yellow leaves and silver undersides. In heavier shade, the leaves will turn chartreuse. This variety will need more shade than some of the other villosa hybrids to hold its color. (#5801)

DELTA DAWN CORAL BELLS
(Heuchera villosa ‘Delta Dawn’ PP23545)
Ht. 9-12” / Wd. 12-18” / Foliage: red / Flower: white
Large brick red leaves are scalloped with chartreuse green margins. Foliage sports red veining in summer. White flowers in spring and summer.

DOLCE® APPLETINI CORAL BELLS
(Heuchera ‘Appletini’ PPAF)
Ht. 6-9” / Wd. 24-30” / Foliage: lime green / Flower: red
Lime green leaves have a silvery overlay. Dark red stems hold ruby red flowers starting in early summer. Occasionally reblooms in the fall. Part of the DOLCE® series.

Acorn Farms Inc.
7679 Worthington Rd., Galena, OH 43021  acornfarms@acornfarms.com
614-891-9348 ph  614-891-1002 fx
**Dolce® Brazen Raisin™ Coral Bells**
(Heuchera ‘Inheubrara’ PP27568)

Ht. 9-12” / Wd. 18-24” / Foliage: red / Flower: pink
Large flat, matte textured leaves with wine red undersides form a dense mound. Deep red scapes with panicles of hot pink buds open to pale pink flowers. Part of the DOLCE® series. A Proven Winners® selection.

**Dolce® Cherry Truffles Coral Bells**
(Heuchera Dolce® ‘Cherry Truffles’ PPAF)

Ht. 8-10” / Wd. 18-22” / Foliage: bright red / Flower: light pink
This replacement for ‘Dolce Cinnamon Curls’ has bright red, ruffled leaves that mature to rich mahogany. A Proven Winners® selection with increased size and

**Dolce® Silver Gumdrop™ Coral Bells**
(Heuchera ‘Silver Gumdrop’ PP29207)

Ht. 6-8” / Wd. 20-24” / Foliage: silver / Flower: pink
This smaller Heuchera has iridescent silver leaves and vibrant pink flowers in early summer. Foliage takes on a rosy blush later in the season. Part of the DOLCE® Series. A Proven Winners® selection. (#4331)

**Dolce® Spearmint Coral Bells**
(Heuchera Dolce® ‘Spearmint’ PPAF)

Ht. 8-10” / Wd. 26-28” / Foliage: green / Flower: pink
This Proven Winners® selection has silvery green leaves with dark green veins. Dark pink flowers are produced through midsummer. (#NEW)
Dolce® Wildberry Coral Bells
(Heuchera Dolce® ‘Wildberry’ PPAF)
Ht. 10-14” / Wd. 26-28” / Foliage: purple / Flower: white
A Proven Winners® selection, this replacement for H. ‘Blackberry Ice’ has larger leaves and a richer purple color. The dark veins really make the leaves

Electric Plum Coral Bells
(Heuchera ‘Electric Plum’ PPAF)
Ht. 9-12” / Wd. 12-18” / Foliage: purple / Flower: bright pink
Near black leaves lighten to an intense purple with black veins. Bright pink flowers are produced on near black stems. (#4238)

Fire Alarm Coral Bells
(Heuchera villosa ‘Fire Alarm’ PP24526)
Ht. 9” / Wd. 10-18” / Foliage: dark red / Flower: light pink
Beautiful dark red foliage in spring and summer turning brownish red during summer. Pink flowers on reddish stems. Prefers average or moist soil condi-

Fire Chief Coral Bells
(Heuchera ‘Fire Chief’ PP21880)
Ht. 9-12” / Wd. 12-18” / Foliage: wine red / Flower: pink-white
Glowing wine red leaves maturing to deep crimson are topped by bicolored pink and white flowers on dark red stems. Blooms continuously spring, summer and

Firefly Coral Bells
(Heuchera ‘Leuchtkaefer’)
Ht. 12-15” / Wd. 12-18” / Foliage: green / Flower: scarlet red
Fragrant, scarlet blooms on wispy, vertical stems. Can be planted in full sun to mostly shade but performs best in partial sun. (#4800)

2019

MARMALADE™ GEORGIA PEACH CORAL BELLS
(Heuchera villosa ‘Georgia Peach’ PP19375)

Ht. 12-15” / Wd. 18-24” / Foliage: coral / Flower: white
Huge peach colored leaves with a silvery overlay. Foliage color turns to a brilliant rose-purple in the fall but still with the decorative overlay. Tolerates summer and humidity. Part of the Marmalade™ Series. (#4852)

GREEN SPICE CORAL BELLS
(Heuchera ‘Green Spice’)

Ht. 9-12” / Wd. 18-24” / Foliage: green-purple vein / Flower: white
Beautiful foliage that shows a multitude of colors. Leaves have dark green edges with a silvery overlay and purple veins. The foliage turns shades of red and orange in the fall. A Proven Winners® Selection. (#5632)

GUACAMOLE CORAL BELLS
(Heuchera hybrida ‘Guacamole’ PP28463)

Ht. 12-24” / Wd. 38” / Foliage: chartreuse / Flower: white
Large, bright chartreuse leaves with fragrant, small, white flowers in mid summer. Prefers consistently moist soil. (#4092)

LEMON LOVE CORAL BELLS
(Heuchera villosa ‘Lemon Love’ PPAF)

Ht. 10-14” / Wd. 20” / Foliage: chartreuse / Flower: cream
This vigorous variety has slightly ruffled chartreuse leaves that resist burning. Color will be greener in deep shade. {photo: Walters Gardens} (#NEW)

Acorn Farms Inc.
7679 Worthington Rd., Galena, OH 43021 acornfarms@acornfarms.com
614-891-9348 ph 614-891-1002 fx
**Lime Marmalade Coral Bells**  
(Heuchera ‘Lime Marmalade’ PP21861)

Ht. 10” / Wd. 24” / Foliage: green / Flower: tan  
A sport of ‘Marmalade’, this compact variety has ruffled, smaller lime-green foliage with tan colored blooms in late spring and early summer. (#4247)

**Marmalade Coral Bells**  
(Heuchera ‘Marmalade’ PP15945)

Ht. 15-18” / Wd. 24-30” / Foliage: orange / Flower: red  
Showy in all seasons with marmalade colored leaves with raspberry reverse. Vigorous plant with heavy substance that holds up well in

**Marvelous Marble™ Coral Bells**  
(Heuchera americana ‘Marvelous Marble’)

Ht. 9-12” / Wd. 15-18” / Foliage: green-red / Flower: white  
Foliage emerges in tones of purple in Spring then turn to green with dark

**Midnight Rose Coral Bells**  
(Heuchera ‘Midnight Rose’ PP18551)

Ht. 6-9” / Wd. 6-12” / Foliage: black w/pink / Flower: white  
A sport of ‘Obsidian’, foliage is glossy, almost black leaves with flecks of bright pink. The flecks lighten as the season progresses. (#4888)
**Acorn Farms Inc.**
7679 Worthington Rd., Galena, OH 43021  acornfarms@acornfarms.com

---

**Obsidian Coral Bells**
(Heuchera ‘Obsidian’ PP14836)

Ht. 9-12” / Wd. 24-30” / Foliage: black purple / Flower: white
Glossy, deep purple leaves have undersides that are shiny and deep purple.
Smokey purple buds produce cream flowers. (#4736)

**Palace Purple Coral Bells**
(Heuchera var. div. ‘Palace Purple’)

Ht. 18-24” / Wd. 18-24” / Foliage: mahogany-red / Flower: white
Shiny maple/ivy-like leaves are huge compared to other varieties.
Mahogany-red foliage and tiny pinkish-white flowers make a striking contrast.
Foliage color may fade to a bronze-green in hot summers. (#4802)

**CITY™ Paris Coral Bells**
(Heuchera ‘Paris’ PP18881)

Ht. 9-12” / Wd. 12-18” / Foliage: green w/white / Flower: rose
White veiled green leaves with columns of large, rose colored blooms. A repeat bloomer that will bloom until frost. A striking presentation.

**PRIMO® Peachberry Ice Coral Bells**
(Heuchera ‘Peachberry Ice’ PPAF)

Ht. 8-10” / Wd. 24-30” / Foliage: orange-apricot / Flower: cream
This Proven Winners® selection has large (4½-5”) ruffled, bright orange-apricot leaves with a silvery overlay, and pink undersides. (#NEW)
**Plum Pudding Coral Bells**  
(Heuchera ‘Plum Pudding’)

Ht. 12-15” / Wd. 24-30” / Foliage: purple / Flower: pale pink  
Dark purple leaves with silver highlights and pale pink blooms in early summer make this a very popular variety.  (#4834)

---

**PRIMO™ Pretty Pistachio Coral Bells**  
(Heuchera ‘Pretty Pistachio’ PPaf)

Ht. 12-15” / Wd. 24-30” / Foliage: chartreuse / Flower: pink  
Wide chartreuse leaves mature to lime green in summer. Pink flowers are produced from midsummer to early fall. Performs best in filtered sun.  
Part of the PRIMO™ Series. A Proven Winners selection.  (#4257)

---

**Rave On Coral Bells**  
(Heuchera ‘Rave On’ PP18127)

Ht. 8” / Wd. 14” / Foliage: silver / Flower: pink  
Heavily silvered foliage produces masses of pink blooms in early summer. Neat habit with a great contrast between foliage and flower.  #5969)

---

**Rose Quartz Coral Bells**  
(Heuchera villosa ‘Rose Quartz’ PPaf)

Ht. 6-9” / Wd. 6-12” / Foliage: rose / Flower: pink to white  
New dusty rose leaves gradually change to light pewter with darker veining. Pink buds open to white flowers in midsummer. Villosa hybrids have an increased tolerance of summer heat and humidity.  (#4242)
2019 HEUCHERA & HEUCHERELLA

HEUCHERA

Southern Comfort Coral Bells
(Heuchera villosa ‘Southern Comfort’ PP20364)

Ht. 12-14” / Wd. 24” / Foliage: peach / Flower: cream
Large lobed cinnamon-peach leaves mature to copper and amber in the fall. Creamy white flowers erupt in late summer. Bred to do well in the Midwest.

Stainless Steel Coral Bells
(Heuchera ‘Stainless Steel’ PP23349)

Ht. 8-12” / Wd. 20-24” / Foliage: silvery purple / Flower: white
Silvery metallic new growth matures to green with heavy veining and dark purple undersides. Large white flowers on chocolate brown stalks in late summer.

LITTLE CUTIE™ Sweet Tart Coral Bells
(Heuchera ‘Sweet Tart’ PP24573)

Ht. 3-6” / Wd. 6-12” / Foliage: lime-yellow / Flower: hot pink
Lime-yellow foliage is topped by bicolored hot pink flowers all summer and fall. Needs afternoon shade. Part of the LITTLE CUTIE™ series. (#4855)

PRIMO® Wild Rose Coral Bells
(Heuchera ‘Wild Rose’ PP29923)

Ht. 8-10” / Wd. 18-20” / Foliage: rosy-purple / Flower: pink
Large, rosy purple leaves have dark veins. Dark purple buds open to rosy pink flowers in mid-summer. Part of the PRIMO® Series. A Proven Winners® Selection. (#NEW)

Zipper Coral Bells
(Heuchera ‘Zipper’ PP25428)

Ht. 8-10” / Wd. 18” / Foliage: amber-red / Flower: white
Glossy, heavily ruffled foliage holds its amber-red color throughout the season. A villosa hybrid with larger leaf size and better heat and humidity tolerance.
Vigorous plants with bold leaf color and beautiful flowers.

**Buttered Rum foamy bells**  
(Heucherella ‘Buttered Rum’ PP25040)  
Ht. 6-9” / Wd. 15-18” / Foliage: caramel / Flower: white  
Glossy, warm caramel colored leaves are deeply-cut. Cool weather turns leaves to rose red. White flower sprays in spring. (#4240)

**Cracked Ice foamy bells**  
(Heucherella ‘Cracked Ice’ PP24690)  
Ht. 9-12” / Wd. 12-18” / Foliage: silver-pink / Flower: cream  
In early spring and fall the leaves get a charming silvery-pink overlay. During summer months, blue and green tones are punctuated with dramatic veining. (#4948)

**Eye Spy foamy bells**  
(Heucherella ‘Eye Spy’ PP24690)  
Ht. 8-10” / Wd. 16-18” / Foliage: amber / Flower: pink  
A Proven Winners® selection, this variety has large, dissected, amber-colored leaves with maroon centers in springtime. Foliage mellows to chartreuse in summer. Part of the FUN AND GAMES® series. (#4191)

**Gold Zebra foamy bells**  
(Heucherella ‘Gold Zebra’ PP22104)  
Ht. 6-9” / Wd. 15-18” / Foliage: yellow / Flower: white  
Finely cut gold leaves are marked with a bold dark red center. This compact variety grows best and has best color if planted in partial shade. (#4705)

**Solar Eclipse foamy bells**  
(Heucherella ‘Solar Eclipse’ PP23647)  
Ht. 10” / Wd. 24-30” / Foliage: orange / Flower: white  
Rounded mound of dark maroon sports a lime green edge all summer. (#5356)

**Sweet Tea foamy bells**  
(Heucherella ‘Sweet Tea’ PP21296)  
Ht. 24-30” / Wd. 24-30” / Foliage: orange / Flower: white  
Huge 4” scalloped orange-red leaves with cinnamon highlights darken and become more vibrant in summer and lighten up in the fall. (#4778)
