

Acer saccharum 'Green Mountain'
Green Mountain Sugar Maple

Widely used sugar maple. Thick leaves are resistant to leaf tatter and display beautiful red-orange colors in fall.

2"

Magnolia 'Jane'
Jane Magnolia

Reddish-purple flowers have a white center. Later bloom time makes it less susceptible to late spring freezes.

5-6'

Cornus al. 'Elegantissima'
Variegated Red Twig Dogwood

Creamy white spring flowers, green and white variegated foliage in summer and bright red winter stems.

#5 24-30"

Chamaecyparis pis. 'Vintage Gold'
Vintage Gold Falsecypress

Foliage resembles fern fronds and are bright golden yellow throughout the growing season. This dwarf form is perfect for smaller areas.

#3 12-15"

Itea vir. 'Little Henry'
Little Henry Sweetshrub

Smaller stature with fragrant white flowers and purple-red fall color.

#3 PW

Pyrus cal. 'Aristocrat'
Aristocrat Pear

White blooms in spring with glossy summer foliage and beautiful fall color.

Spiraea x bum. 'Goldflame'
Goldflame Spirea

Crimson-red flowers in summer and brilliant orange fall color.

#3 15-18"

Malus 'Red Baron'
Red Baron Crabapple

Narrow, columnar form, great for tight areas. Bronze foliage with red flowers followed by large, dark red fruit.

2.5"

Acer x freemanii 'Sienna Glen'
Sienna Glen Maple

Excellent selection for Ohio's heavy soils! Vigorous growth and beautiful orange-red fall color.

2.5"

Malus 'Coralburst'
Coralburst Crabapple

Dense, rounded head. Double rose colored flowers in spring, and bronze-red fruit in fall.

3"

Prunus ser. 'Snowgoose'
Snowgoose Cherry

Upright tree with an oval to rounded crown. Single white flowers cover the bare branches in spring.

2"

Fothergilla gardenii
Dwarf Fothergilla

Bottlebrush flowers in spring, shiny foliage in summer, excellent fall color!

#5 18-24"

Ilex vert. 'Winter Red'
Winter Red Winterberry

Lustrous green summer foliage and an outstanding display of red fruit in fall.

#3 18-24"

Prunus vir. 'Canada Red Select'
Canada Red Select Cherry

Foliage is green when emerging, changing to bright red at maturity.

1.5"

Buxus x 'Green Mountain'
Green Mountain Boxwood

Dense foliage is shiny and pruned into perfect pyramids!

#7 Pyramid

Prunus sub. 'Plena Rosea'
Plena Rosea Weeping Cherry

Weeping form with an abundance of pink flowers in spring.

2"

Picea pun. 'Globosa'
Globe Colorado Spruce

Bright blue needles and globe form make a nice specimen.

18-24"GS

Amelanchier lamarckii
Lamarckii Serviceberry

One of the heaviest blooming Serviceberry with the largest and sweetest fruit!

6-7'

Cornus ser. 'Isanti'
Isanti Dogwood

Compact form with an extremely dense habit. Bright red winter stems.

#5

Gleditsia tri. 'True Shade'
True Shade Honeylocust

Good branching structure with a broad oval form. 'True Shade' is fruitless and a rapid grower.

2.5"

Dianthus 'Neon Star'
Neon Star Dianthus
Vibrant magenta blooms!
Compact habit.
#1

Iris sib 'Caesar's Brother'
Caesar's Brother Siberian Iris
Violet flowers with narrow, strap-like foliage.
Great for wet areas!
