Ruffled Velvet

Swans In Flight

Yellow Tail

IRIS ENSATA (JAPANESE IRIS)

Prized for their large, pastel-colored blooms, these iris are at home in wet areas, but they also do well in average soils. They generally bloom after the Siberian Iris are finished blooming. Their upright green foliage remains attractive all summer and fall. Zone 4.

LION KING JAPANESE IRIS

Iris ensata 'Lion King'

Ht. 3-4' Wd. 24-30" - Full Sun

Large, double, 7-8" diameter blooms with purple petals and white centers. (4943)

VARIEGATED JAPANESE IRIS

Iris ensata 'Variegata'

Ht. 30-36" Wd. 15-18" - Full Sun

The showy foliage is green with wide white edges. Attractive even when not in bloom. Smaller purple blooms appear in mid spring. Zone 4 (#5028)

IRIS GERMANICA (BEARDED IRIS)

This classic produces flowers in a wide range of colors. The blooms consist of two parts: The Standards - the upright petals; and the Falls - the petals that curve toward the ground. Zone 5

BREAKERS BEARDED IRIS

Iris germanica 'Breakers'

Ht. 36" Wd. 18-24" - Full Sun

This reblooming iris has medium blue standards and falls. Midseason plus reblooms. Zone 3 [photo: Growing Colors 2Plant] (#4483)

IMMORTALITY BEARDED IRIS

Iris germanica 'Immortality'

Ht. 24-30" Wd. 12-18" - Full Sun

Ruffled, pure white blooms with small pale yellow beards. Strongly fragrant. The most consistent rebloom of all the reblooming iris. (#4981)

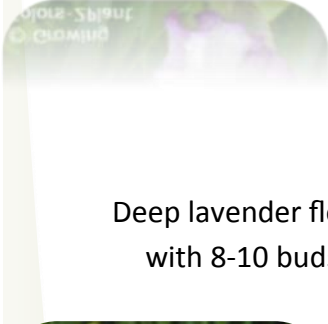

MARIPOSA AUTUMN BEARDED IRIS IRIS GERMANICA (BEARDED IRIS)

Iris germanica 'Mariposa Autumn'

Ht. 32" Wd. 24" - Full Sun

Standards are violet-red with white centers. Falls are white with purple edging. An award winner that blooms early and reblooms. Zone 3 [photo: Growing Colors 2Plant] (#4154)

OUI MADAME BEARDED IRIS

Iris germanica 'Oui Madame'

Ht. 36" Wd. 24" - Full Sun

Deep lavender flowers fade to lilac with orange beards. Early to mid season with 8-10 buds per stem. Zone 3 [photo: Growing Colors 2Plant] (#4957)

PEGGY SUE BEARDED IRIS

Iris germanica 'Peggy Sue'

Ht. 34" Wd. 24" - Full Sun

This award winner has fragrant pink standards and falls with orange beards. Early season plus rebloom. Zone 3 [photo: Garden World/Growing Colors] (#5174)

RAPTOR RED BEARDED IRIS

Iris germanica 'Raptor Red'

Ht. 32-34" Wd. 18-24" - Full Sun

This early bloomer has maroon and red two-tone flowers with mustard-yellow beards. Zone 3 [photo: Growing Colors 2Plant] (#4959)

SAVANNAH SUNSET BEARDED IRIS

Iris germanica 'Savannah Sunset'

Ht. 36-38" Wd. 24" - Full Sun

Eye-catching orange blooms have red-orange beards. Late season plus rebloom. Zone 3 (#5018)

SHARP DRESSED MAN BEARDED IRIS

Iris germanica 'Sharp Dressed'

Ht. 36" Wd. 24" - Full Sun

Award winner with purple standards paired with violet-black falls and orange beards. Fragrant, blooms mid-season. Zone 3 [photo: Growing Colors 2Plant] (#5529)

IRIS PALLIDA (SWEET IRIS)

The Sweet Iris, also known as Zebra Iris, is an old-time favorite. It was one of the primary species used in the development of the tall bearded iris. Striking, stiff, upright foliage make it a great accent in a sunny perennial border, especially near the front. Thrives in full sun with well-drained soil. Zone 4.

AUREA VARIEGATA SWEET IRIS

Iris pallida 'Aurea Variegata'

Ht. 24" Wd. 18" - Full Sun

Yellow and green variegated foliage. Lavender-blue flowers late spring.

Zone 3 (TRADE 1 cont.) (#5024)

VARIEGATED SWEET IRIS

Iris pallida 'Variegata'

Ht. 24" Wd. 18" - Full Sun

Green and white variegated foliage makes this iris attractive even when not in bloom. Fragrant, lavender-blue flowers in late spring.

Zone 3 (TRADE 1 cont.) (#4996)

IRIS PSEUDATA (PSEUDATA IRIS)

Pseudata Iris are a cross between *Iris pseudocorus* and *Iris ensata* ("Pseudata" is combination of both names) This variety is able to grow in many different conditions and brings a vibrant color palette to our selection.

YARAI PSEUDATA IRIS

Iris pseudata 'Yarai' ('Night Thunder')

Ht. 26-30" Wd. 12" - Full Sun

A cross between *Iris pseudocorus* and *Iris ensata*, this variety produces peach blooms and purple veinations on tall stems. Zone 4 (#1 cont.) (#4935)

IRIS SIBIRICA (SIBERIAN IRIS)

The Siberian Iris is a handsome, vigorous, clump-forming grower that has grass-like, dark green foliage that remains attractive until frost. Prefers slightly moist soils, but is very adaptable. They bloom after the Bearded Iris, but before the Japanese. Zone 3.

CAESAR'S BROTHER SIBERIAN IRIS

Iris sibirica 'Caesar's Brother'

Ht. 36-42" Wd. 18-24" - Full Sun

Best-selling variety has deep purple blooms with a small white throat. (#5027)

CAPE COD BOYS SIBERIAN IRIS

Iris sibirica 'Cape Cod Boys'

Ht. 24-30" Wd. 18-24" - Full Sun

Periwinkle blue flowers have darker blue veining that intensifies at the end of the petals. Prominent clear lemon yellow signals. Long bloom time. (#5314)

PAPRIKASH SIBERIAN IRIS

Iris sibirica 'Paprikash'

Ht. 20-30" Wd. 18-24" - Full Sun

The flowers of this award winner have apricot falls with heavy red speckling and light peach standards. (#4057)

PEACOCK BUTTERFLY™ MISS APPLE SIBERIAN IRIS

Iris sibirica Peacock Butterfly™ Miss Apple®

Ht. 24-30" Wd. 18-24" - Full Sun

Large, fragrant, multi-colored blooms have reddish purple falls accented with bright yellow patches. Standards are a ruffled, lavender-pink.

Zone 3 (#1 cont.) (#5935)

ROSY BOWS SIBERIAN IRIS

Iris sibirica 'Rosy Bows'

Ht. 18-24" Wd. 24-30" - Full Sun

Heavily ruffled, lavender-rose standards with lavender-red falls. Early to mid season. Zone 3. (#5030) (photo courtesy of John den Haan & Son, Inc)

IRIS SIBIRICA (SIBERIAN IRIS)

RUFFLED VELVET SIBERIAN IRIS

Iris sibirica 'Ruffled Velvet'

Ht. 24-30" Wd. 18-24" - Full Sun

Large reddish purple standards with darker purple falls. (#5448)

SWANS IN FLIGHT SIBERIAN IRIS

Iris sibirica 'Swans In Flight'

Ht. 32" Wd. 24" - Full Sun

An improvement over 'White Swan', with larger, whiter flowers and a more vigorous growth habit. Zone 4. (#4321)

YELLOW TAIL SIBERIAN IRIS

Iris sibirica 'Yellow Tail'

Ht. 28" Wd. 24" - Full Sun

Semi-double yellow flowers have white inner petals.

A heavy bloomer in the Spring. Zone 4. (#4717)
