Zone:	4

DESCRIPTION

Magnolias are invaluable in the garden! Their large, showy blooms are offered in an array of colors, and the variety of size and form makes it easy to find one that will suit your needs.

'Leonard Messel' is a dense, rounded shrub with deep green foliage in summer. Its flowers have strap like petals with fuchsia-pink along the back, white inside. The petals are crinkled, long and undulating, exhibiting good frost resistance. Plant where the beautiful flowers and fragrance of this cultivar can be fully enjoyed.
