Height:	6-8'
Spread:	6-8'
Shape:	upright, rounded
Foliage:	green
Fall Color:	yellow
Flowers:	white/dark pink
Fruit:	capsule
Zone:	3

DESCRIPTION

Panicle Hydrangeas are hardy, vigorous shrubs with an upright growing habit. They may also be grown tree form. Large panicles of white flowers are produced in summer which mature to pink later in the season. Flowers are held on strong stems and are good for cutting. Panicle Hydrangeas are best grown in full sun. They bloom on new wood, ensuring reliable flower production every year.

Quick Fire® is the first panicle cultivar to bloom, up to a month earlier than other varieties. White flowers turn pink and are a dark pink-red by early fall.

Utilize in borders, as hedges or as a single specimen.
