DESCRIPTION

Weigela has long been valued for their profuse display of brightly colored flowers in late spring. They are extremely adaptable to soil type and grow best in full sun.

Wine & Roses® is an introduction from Proven Winners® that features shiny deep purple foliage all summer long. Its deep rosy-pink flowers contrast well with the dark leaves, and it will sporadically rebloom.

Utilize this shrub in perennial and shrub borders or massed in the landscape. With a little pruning to tidy the plant after flowering, it could be incorporated into foundation plantings or used as a single specimen.
