## DESCRIPTION

The distinct flower color of this Butterfly Bush makes it a standout in the landscape! The rich color of the fragrant blooms may vary from ruby red-pink to sangria-red, with southern areas producing a more pronounced red color. A Proven Winners® Color Choice® selection.

Butterfly Bush is great for attracting butterflies and hummingbirds to the garden. The medium size of 'Miss Molly' makes it perfect for integrating within mixed borders, massing, perennial gardens or in large containers.
